FOR IMMEDIATE RELEASE

ChainDrugStore.net Joins NCPDP's Elite Partner Program

SCOTTSDALE, AZ – March 22, 2016 – [NCPDP](#) announced today that [ChainDrugStore.net Incorporated](#) has joined NCPDP's Elite Partner Program. ChainDrugStore.net becomes the fifth and final organization to be accepted into the exclusive program. NCPDP Elite Partners commit to the highest level of sustained support for the valuable work of NCPDP in advancing patient safety and interoperability.

"We have enjoyed a long-standing business relationship with ChainDrugStore.net" explained Lee Ann Stember, President of NCPDP. "By joining our Elite Partner Program, ChainDrugStore.net is demonstrating continuing, strategic alignment and support for NCPDP."

ChainDrugStore.net supports a network of pharmacy stakeholders through its industry web site, hub.pharmacyfocus.com, with the goal of positively impacting pharmacy purchasing, dispensing, reimbursement, and contracting. hub.pharmacyfocus.com provides the industry with a set of online tools designed to streamline communications, drive analytics and proprietary business intelligence, and manage the day to day data requirements of a pharmacy network.

"ChainDrugStore.net is excited to be a part of NCPDP's Elite Partner program," said its Chief Executive Officer, Todd Grover. "NCPDP actively supports pharmacy stakeholders across the supply chain, working together for the benefit of the industry and the patients it serves. We are committed to supporting NCPDP's role as the facilitator of this important work."

For more information on ChainDrugStore.net, visit hub.pharmacyfocus.com. Attendees of [NCPDP's 2016 Annual Technology & Business Conference](#), which will be held May 2-4, 2016, can visit ChainDrugStore.net at the Solutions Marketplace, Booth #404.

About NCPDP

Founded in 1977, NCPDP is a not-for-profit, ANSI-accredited, Standards Development Organization with approximately 1,500 members representing virtually every sector of the pharmacy services industry. Our diverse membership provides leadership and healthcare business solutions through education and standards, created using the consensus building process. NCPDP has been named in federal legislation, including HIPAA, MMA, and HITECH. NCPDP members have created standards such as the Telecommunication Standard and Batch Standard, the SCRIPT Standard for ePrescribing, the Manufacturers Rebate Standard and more to improve communication within the pharmacy industry. Our data products include dataQ®, a robust database of information on more than 76,000 pharmacies, and HCidea®, an innovative prescriber database that provides continually updated information on more than two million prescribers. NCPDP's RxReconn® is a legislative tracking product for real-time monitoring of pharmacy-related state and national legislative and regulatory activity. For more information about NCPDP Standards, Data Services, Products, Educational Programs and Work Group meetings, go online at www.ncpdp.org or call (480) 477-1000.
